The University System of Georgia (USG) is excited to announce a new self-service portal that you can visit for all of your service needs. Using this new self-service portal, you can: Search the new OneUSG Connect Knowledge Base for answers to questions you have. Locate job aids that were on the OneUSG Connect and KSU Management Self Service (MSS) websites. Submit a service request for help. USG Service Portal Video instructions regarding absence management, my team, payroll, personal information, and time/labor. Job Aid documentation will be available on the bottom right corner of each video. On the page, click the drop down based on your employer level. McGraw Hill Connect helps you deliver a complete, engaging, digital course experience. Its flexible course design, digital-first vetted content and assessment materials, and easy-to-read analytics and reporting tools ensure best-in-class online learning. Welcome new and returning students, faculty and staff to the new MyKSU experience. MyKSU and all of the relevant information you know is now divided into different categories based on your user group at Kennesaw State. Below, we have listed resource pages that will now serve as your hub for all resource needs that apply to you on your journey at KSU. You can access these pages at any point by clicking on the "Resources For" button in the top right of this webpage and clicking on your user group. From there, you will find links to everything you need to be successful at Kennesaw State University! You@Kennesaw OneUSG is a system-wide initiative to develop and implement a consistent approach to policies, procedures and technology solutions that benefit the University System of Georgia (USG), in an effort to reduce costs, streamline processes, and have uniform guidelines with centralized support. OneUSG Connect manages USG human resources activities, benefits and compensation including: Approving time and absence requests from your employees. Requesting an employee reporting change or location change. Submitting requests to transfer or separate an employee. Submitting requests for pay changes or one-time payments. Viewing or submit requests for position funding changes. Electronically Submitting requests formerly processed through paper Personnel Action Forms (PAF) and Faculty Status Change Forms. Its easy to use and can automate some of the current manual hiring and onboarding processes such as: Handles job openings, job postings, applicants, resumes, interviews and offers. Automates the recruitment process through defined workflow approvals for job openings and offers. Handles the initial phases of paperless applicant and employee onboarding. It can be used on mobile devices and integrates fully with the OneUSG Connect human resources and payroll system. It delivers faster and more efficient applicant and hiring manager processes, communications, and interactions. Go to:OneUSGConnect.usg.edu(bookmark this link) Click the OneUSG Connect button on the right. Select the KSU logo. Login using yourNetID and password. Authenticate through DUO.
