Family practice warrensburg

Given article text here Dr. Angela M Phelps is a female doctor with over 25 years of experience in family practice specialist field, holding medical license #2001014668 (MO). She accepts new patients and operates as sole proprietor. Her credentials include DMD, and she has Medicare assignment for covered services. The clinic where she practices, Central Family & Sports Medicine, offers one-stop healthcare services for the entire family from birth to senior adulthood, with on-site laboratory and x-ray facilities. The clinic has built a reputation for compassionate care and is recognized as a 'Patient Centered Medical Home' by NCOA. It partners with patients to promote better health habits. Same-day urgent care appointments are available daily, Monday-Friday, and virtual visits are also now offered. Warrensburg Express Care is a family practice and walk-in care clinic that offers same-day appointments for express needs. We're open Monday to Friday from 8:00 am to 8:00 pm, and Saturday and Sunday from 8:00 am to 5:00 pm. Our goal is to see each patient, but we have limited slots available daily and can't always accommodate everyone during clinic hours. Availability can only be confirmed when you arrive, as slots are first-come, first-served. Additionally, some appointments may qualify for virtual visits - contact us for more information.
