"My son and I went to Colorado for seven days recently and we boarded our Chipin with Christina at Diamond in the RUFF. Since this was the first boarding experience for my pup and also for me needless to say I was anxious. Each time I called to see how thing we're going, Christina had a cute little story for me which waylaid any anxiety I had. Her place is cute, clean and safe. Not to mention inexpensive. She also had no problem with the diet Nunu was on. Raw food and rice. It was awesome not to worry about my fur baby. This will always be our go to boarding establishment. Hats off to you Christina for doing a fantastic job." Justin's wife Eureka's newest, best Realtor, as co-owner manages all the details while being a very busy mom..
