A word scramble game challenges you to find hidden words by rearranging jumbled letters. Playing a game that bombards you with word scrambles, like Wordscapes® or Just Jumble? Need help sorting the letters? We've got your back! Our tool for solving word scrambles reveals every word you can make with any assortment of letters you throw at it. To find the words you're looking for, simply enter the letters you have, including up to three wildcards, and hit "Search." We'll take it from there, presenting you with all possible words with the letter tiles you provide. Be sure to bookmark this page so it's ready whenever you play a word scramble game. What is a Word Scramble? At its most fundamental level, a word scramble consists of rearranging a set of letters to form a real word. For example, if you have the letters ERHE, you can use those letters to make the word "HERE." For more of a challenge, you might work on unscrambling RLAIDSZ into "LIZARDS." A word scramble solver can help with tougher challenges. Jumble: The First Scrambled Word Game Word scrambles have been around for decades. In fact, they're even older than word search puzzles! Comic book writer and artist Martin Naydel created one of the first word scrambles in 1954. It originally appeared as "Scramble" before it was retitled as "Jumble." In his version, you're given four sets of jumbled letters to unscramble. Two sets are jumbled five-letter words, and the other two are six-letter words. Within each of these words are some circled letters. Take the circled letters from the word scrambles and rearrange those to form a surprise answer to a question posed in the accompanying cartoon. Today, the syndicated version of the game is called "Jumble — That Scrambled Word Game." You might find it in your local newspaper. Solve Every Word Scramble Today, you'll find jumble solver and anagram solver games not only in newspapers and books, but also on the web and in mobile apps. Game developers and publishers are constantly adding fun, new twists to unscrambling letters to find words. For example, Scramble Words is an online word scramble game you can play for free. Again, the basic premise is simple. You start out with a set of seemingly random letters. As the designated word descrambler, you then unscramble those letters to make words. Improve your score by finding longer words, using more difficult letters and finding words more quickly. Play Word Scramble Games Word scramble games challenge players to rearrange scrambled letters to form meaningful words. You can enjoy single-player puzzles, like a variety of word solver games, as well as competitive multiplayer games. The same skills you develop as a word finder in solo word scrambles are equally useful in multiplayer games like Words With Friends® and Scrabble®. You'll find a variety of word scramble games both online and offline. A word scramble generator can create new levels dynamically and on demand. Alternatively, you can pick up your local newspaper or browse through your favorite bookstore. There are lots of fun unscramble games to keep you entertained and engaged. One of the newest games with scrambled words is Wordle. If you get stuck, our Wordle solver can make sense of your green and yellow squares. Check out our daily Wordle hints too.
