Indian constitution article in bengali

Warning: Can only detect less than 5000 charactersIt has clearly stated that the article cannot be read in the sense that, even if the minority institution had been established by any other authority (law of the Parliament), in this case, the religious minority cannot take advantage of the services of the Warning: Can only detect less than 5000 characters By minority Scholastic Institute The National Commission for Minority School Institution has the original jurisdiction to determine the minority state of any school institution as held by the Supreme Court of India Hona. Justice Nariman, author of the sentence, said that the NCMEI law grants the Commission to act on all questions relating to the status of a minority institution. A power of withdrawal has also been invested in the NCMEI to cancel a certificate granted or by an authority or NCMEI.17 Both Jamia Millia Islamia is a minority institution? On February 22, 2011 of the National Commission for the School Institution Minority (NCMEI) stated: Jamia Millia Islamia a religious minority institution and that the university will have the advantage of being a minority institution pursuant to Article 29 and the Article 30 of the Constitution. According to Section 2 (O), of the JMI law says one of the University is the educational institution known as a Jamia Millia Islamia founded in 1920 during caliphate and non-cooperation movements in response to Gandhiji's appeal for a boycott of all school institutions sponsored by the government, which was subsequently recorded in 1939 as: Jamia Millia Islamia Society, and declared in 1962 as an institution considered a university in section 3 of the 1956 University Grants Commission Act, and which is established As a university under this Act.18 on 5 March 2018, a sworn statement is filed by the government in office at the High Court of Delhi as regards the minority status of Jamia Millia Islamia where they mentioned the case of Azeem Basha v. Union of India to justify their position, in which the judge considered that a peak university established under the law of the Parliament cannot be claimed as a minority institution. The declaration concludes that JMI is not a minority institute as it was established by the law of Parliament and financed by the central government and was not established by a minority sect. Objectives Conclusion Our Constitution in a Unit in Diversity e. Minority status does not only depend on the basis of religion, but also on linguistic minorities. These provisions are included in the Constitution so that minorities can also preserve and develop their culture. In St. Xavier College of v. Gujarat State [19] that a spirit that the supply of the following article is the conscience of the nation that religious minorities, as well as linguistic, are not prohibited to establish and administer educational institutions, of their choice in order to give their child The best general education to make them complete man and women of Country.a 1. of India Const.
