Girls global academy

Opening in the Fall of 2020, Girls Global Academy will be the premier training ground for high school girls in the areas of global citizenship, Business and Engineering in Washington, DC. Our program ignites female empowerment and develops their confidence to lead and succeed at the local or global level. School Hours MTWTF: 8:15 a.m.-3:08 p.m. W: 8:00 a.m.-1:00 p.m. School Uniform Required About this school Students are prepared to thrive by taking rigorous college preparatory courses, by choosing one of two pathways in engineering or business, & by engaging in authentic experiences to gain knowledge & skills that are broadly applicable & in demand. Our pillars are the foundation of the work our teachers & students do everyday. Sisterhood is cultivated to celebrate, encourage & support scholarship, leadership skills are developed through collaboration with service-learning in a space where safety for the whole student is our priority.
