Learn how to type typing lessons. Peters typing lessons 9. Peters typing lessons 10. Peters typing lessons 4. Peters typing lessons 18. Peters typing lesson 2. Peters typing lesson 1. Peters typing lessons 11.

JavaScript is required for typing functionality, then make sure it is turned on in browser preferences. It is strongly recommended to learn touch by typing on a physical keyboard for tactile feedback and Bluetooth keyboards can be obtained very cheap these days (ie the minimum of \$ 10). Some third-party extensions for web browsers, such as advertising blockers, could interfere with typing functionality. Previous versions or other browsers can provide inconsistent results. Sport typing PracticeBasketball, Tennis, Baseball, Hockey ... Funny typing PracticeDdles, animal jokes, Emoticon ... If you are accessing this course on the desktop or laptop, Google Chrome (currently the world's most popular browser) is the browser Recommended for this site and to switch to what will you probably solve any problems you might experience. This course is not designed to be used with a soft keyboard on a tablet, although it has been successfully tested to work with iOS devices (iPad and iPhone). Guy and learn new things!! This additional section of the course gives you a huge amount of practices of the real world keyboard, together with the opportunity to learn and / or affirm terms, phrases and concepts associated with a wide variety of subjects. If you use this extension, turn it off temporarily and see if this is the cause. Legitimate by typing the practical terms, legal contracts, famous law quotes ... If you still have problems, you can still access the old flash-based version of the course here. If you are accessing this course on the desktop or a laptop, Google Chrome (currently the world's most popular browser) is the recommended browser for this site and will probably resolve any problems you might experience. It is a free download, easy to install and For all platforms. If so, it should be possible whitelist this site so that the extension is deactivated only for this site. If you are turned on Or a Windows Mobile device is hit or missing, however it should work absolutely well with an external keyboard. Math by typing the series of PracticBonacci Series, pi, first numbers, Times Tables ... This is a very useful investment to learn touch by typing, an ability to give a life. If you feel at any time, you need a more focused practice in a particular keyboard area, feel free to visit the tpyture lessons section! Choose a category: English Typing PracticesHakespeare, Keats, Dickens, Wordsworth ... Other major browsers, such as Apple Safari, Mozilla Firefox and Microsoft Internet Explorer should generally be OK, however make sure you use a current version. version.
