## South downs stargazing

South downs stargazing experience. Best stargazing south downs. South downs stargazing hotel.

Home **À** Sky Sky Park / Reserve / Island **À** **À** South Downs Sky Sky Reservethe South Downs National Park was awarded the status of a Sky Dark Reserve in May 2016. This state will ensure the light pollution of the region remains under control if not reduced. Given its location in the south of England the skies are surprisingly and wonderfully dark. A number of dark sky discovery sites are dotted throughout the region giving excellent opportunities to observe the starry skies above. The enthusiastic local astronomical societies run frequent public stersgazing events throughout the area.
