BODY PARTS

Write

A line drawing of a young boy with short hair, wearing shorts. The drawing is used for a labeling activity. There are 15 empty rectangular boxes connected to different parts of the boy's body by thin lines. The boxes are positioned around the head, face, torso, arms, and legs. A small red watermark 'bigcaringface' is visible at the bottom right of the drawing.

The Human Body

A detailed illustration of a human skeleton in a dynamic running pose, facing right. The bones are rendered in a light grey color with some shading to show depth. The skeleton is shown from the side, highlighting the ribcage, spine, pelvis, and leg bones.
